• team members receive full room & board plus a small salary

Since 1980, Lampost Theatre Co. has been creating and innovating ways to communicate the **truth** of the Gospel. Our **desire** is to challenge the Body and reach out to the world with the **transforming** message of Christ.

But it all begins with **living** the message before we preach it. That's why Lampost is committed to a **life-style** where team members live together in a discipleship **community**. Here we challenge one another daily, as we **grow** together through prayer, study, worship, and shared life. Here we discover our message.

Lampost creates **unique** theatrical experiences with productions ranging from full-blown musicals to **intimate** touring ensembles. Our eclectic style ranges from sketch comedy to physical theatre. We produce media and resources to **equip** others in creative ministry. We **dive** into a variety of projects with one thing in common: breaking creative territory for the Kingdom.

Our home base wraps these things together in one facility encompassing a coffee shop, a small theatre, workspaces, and housing.

We are looking for a handful of people to take the journey with us. People who are ready to think outside the box, share the load, and serve with passion.

Are you looking for us?

THE PROGRAM:

In addition to being the central force in our performance ensemble, team members carry out the daily activities and events at our theatre/coffeehouse. Activities may include:

- participation in resident productions
- developing weekly programming
- touring performances at colleges, churches, conferences
- operating coffee shop ministry
- working with college campus outreach
- media/video/print production
- office/management responsibilities
- discipleship, workshops, Bible studies
- training missionaries for cross-cultural evangelism
